#### Dear Parents/Caregivers,

School Council election process 2024

Resilient House Captains despite the fact that our seniors Swimming House Carnival was postponed on Tuesday.

Due to a chemical spill at the Clunes Pool on Monday night, Hepburn Shire representatives made the safe and responsible decision to close the pool on Tuesday to complete necessary safety checks and audits. Safety is priority No. 1 when it comes to our students, staff, our school community and wider Clunes community.

Hepburn Shire representatives will inform us when the Clunes Pool will be open again for use and hopefully we'll be able to schedule a second try at conducting the 2024 swimming sports.

2 parents have self-nominated and 2 parents have been nominated by another school community member (4), for 3 vacancies in the Parent member category for the Clunes PS School Council 2024. An election process is now underway. You will have received Ballot papers, forwarded home with your child yesterday. Close of Ballot is Thursday 29<sup>th</sup> February 4pm.

# Learning in 4/5S

4/5S have dedicated a significant amount of time exploring Indigenous culture over the past two weeks.

The students have worked incredibly hard to create their own personal

Acknowledgement of Country. By engaging in this activity, the students demonstrated their respect for the Indigenous people and the Dja Dja Wurrung land (the land Clunes Primary School sits on).

On rotation, students will read aloud their Acknowledgement of Country to the class at the beginning of each day.

Through the use of storybooks, we have also begun looking at Indigenous language. The students have been extremely invested in learning and pronouncing various Indigenous terms! We are all quite intrigued and will continue to explore the Indigenous language throughout Term 1 and beyond.

Students have made a great start in Visual Arts this term by designing their front covers of their Visual Arts diaries. Students collaborated and brainstormed different words to describe what Art means to them. All grades agreed that Art means imagination, exploration, expression and interpretation whilst being calm, relaxing and mindful. Students will be studying colour theory, lines, shapes and texture this term.

One in four Australian adolescents will experience mental health problems this year

Nearly two thirds of them will not seek help.

One in seven primary school students are also likely to experience mental health problems this year.

#### ABOUT THE PROGRAM

The Resilience Project is committed to teaching positive mental health strategies to prevent mental ill-health and build young people's capacity to deal with adversity.

We will be implementing their evidence-based **Teaching** and **Learning Program** throughout our classrooms, staffroom and school community.

Teachers and students will engage in weekly lessons and activities around the key principles of **Gratitude**, **Empathy**, **Mindfulness** (**GEM**) and **Emotional Literacy** to build resilience.

# **FINANCIAL ASSISTANCE**

#### INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

# CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$150 for primary school students
- \$250 for secondary school students

#### **HOW TO APPLY**

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- new student enrolments; your child has started or changed schools this year.
- changed family circumstances; such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.
