29 November 2023

Dear parent/guardian,

Clunes Primary School is looking forward to another great year of teaching and learning and would like to advise you of Clunes Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Provide enhanced digital learning opportunities through Mathseeds, Mathletics, Reading Eggs, Sunshine Online and Typing Tournament
- Maintain sufficient class sets of books for students to develop their reading skills
- Provide reader bags for Prep students
- Supply headphones for individual student use
- Expand our range of sporting equipment
- Supply a school diary to each student
- Ensure supplies of varied materials for art classes
- Offer effective first aid for all students
- Continue the Kitchen/Garden program to further develop the whole child

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended financial contributions schedule for an indication of contributions for their child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Sonia Jardine
Principal

School Council President
