Term 3 Draft #3 Calendar on the back page

There will be a weekly Newsletter for the remainder of Term 3.

Please continue to contact the school/ Sonia with any questions or concerns. Be safe!

Dear Parents and Carers, An updated Clunes PS IT Acceptable Use Policy is included in all Learning Packs TODAY. Please read with you child/ren, sign and return next Thursday. (or via online). Thank you.

Thank you all! It has been a very quick transition for school communities within regional and rural Victoria to pivot back to Flexible and Remote Learning with essentially one day to prepare. Thank you for re-establishing our highly valued and critical communication systems over the past three days and for your understanding that it has not be possible to have all of our Clunes PS Flexible and Remote Learning processes in place by Wednesday. Staff have been working their hardest to get this done for today; Thursday pm, to mirror our successful #1 Learning from Home program. Our Learning Pack delivery and collection begins this afternoon, in the Multi- Purpose Hall, from 3-5pm. Following highly valued feedback from students, families and staff, after #1 Learning from Home, we will be making small adjustments to our previous program that we hope will enhance #2 Learning from Home. The Department of Education is also making slight changes to MS Teams which will be security and privacy based. As always, your feedback along the way will be sincerely appreciated! Should you have questions or concerns at any time, please make contact with us at school. Best wishes to you all! **You are all Super Stars!**

Speaking of Super Stars...I'd sincerely like to thank students and staff for my very kind 'Principal's Day' surprise.

Our health and sense of wellbeing is strongly connected to where and how we live.

The current COVID-19 pandemic has impacted us all in many ways. As a result Central Highlands Rural Health is conducting a survey to learn more about how the impacts of COVID-19 are affecting the wellbeing of people across our community. Knowing more about this will help as we seek to find positive ways to continue to support people now and into the future.

If you are aged 18 years and over we would really appreciate you taking the time to complete the following survey
