UPCOMING EVENTS

Please see Term 2 Calendar draft #5. Each fortnightly Newsletter will have new events added so please check regularly. Thank you! 😊

Dear Parents/Caregivers,

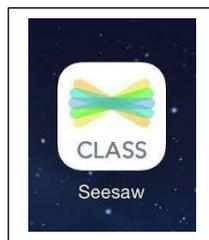

All classes have enjoyed performing their Performing Arts songs, in full voice again, and Mrs Anderson, with expert student assistants, have filmed the performances. These very special performances have been placed on the **Class Seesaw App** so that you may enjoy them over and over with your child. Thank you to the many families that have responded, via the App, celebrating your child's special efforts and achievements!

Students and teachers have been readily using the class Seesaw App, posting proud 'in the moment' learning successes. Thank you again for your very positive feedback.

Please let us know if you require some more support with the App.

2 new Chicken Pox cases confirmed in the school.

Please let us know of new cases asap. Thank you.

RAT kits will continue to be sent home with your child this term. We have been informed that schools will continue with the existing RATs regime until the end of Term 2. Next Friday will be your next deliver day.

Those who have had COVID-19 can now wait **12 weeks** before undergoing screening.

If you are a close contact you may attend school but should wear a face mask and please RAT test for 5 of 7 days.

Thank you all for your incredible efforts at keeping the school informed. Our school is managing our COVID linked challenges exceptionally well!

Best wishes to you all for a safe and successful fortnight ahead. Kind regards, Sonia & the staff of CPS.

We will need to be a NO NUTS school, as our students mix with and play with each other across the school day. Our junior school Buddies will also meet for learning activities with our senior school Buddies. Thank you sincerely for considering the safety of our students as you choose what food is placed in your child's daily snack and lunch box.

***In 2022 we have a senior year-level student with a medical need that requires us to know immediately when there is Chicken Pox or a similar illness about. Please contact the Office as soon as you are aware. Again, thank you sincerely!**

It is winter time, and the Junior Playground shade sails have been removed in order to have some needed repairs completed. They will be back in position again very soon!

It's Rubber Boots season!

Please bring slippers or 'inside' shoes to change into. This will keep feet warm and dry.

A spare set of clothing & a plastic bag for wet gear is also advised. **Please name all items.** 😊

3 Way Conferences – all students P-6 Thursday 23rd June.

A 3 Way Conference information sheet was sent home with all families yesterday.

Thank you for returning your preferred time slip as soon as possible. It is an expectation of the school that all families will participate in a 3 Way Conference.

Students will only attend school for their 3 Way Conference at the schedule time. You child will be marked as attending school by attending the 3 Way Conference.

Special Blokes and Kids Night!

A BIG thankyou to everyone who helped last week to make our Blokes and Kids Night so special!! To Duanne, Ken, Alan and Peter from the Ballarat Mens Shed. Your friendliness, support and attention to detail in making the bird house kits as easy as possible was greatly appreciated. Thankyou to Deb and Julie for looking after the BBQ and serving the students and all of us fine young gentlemen :) ! Thankyou to Sonia for turning the heaters on early so we could have a nice warm hall, and to the students who helped setup the chairs. Most importantly, thankyou to all of the Blokes and Kids who came out on a cold night. It was great to see so many of you, all having fun and showing your appreciation for the special family relationships you have! **If you are happy to share some photos in a future school newsletter, we would love to see where you have placed your bird houses at home.**

More Special Blokes and Kids Night Photos 😊

Earth Ed Robot Explorers 1/2MJ

Robots are part of our world and are developed to make human life easier.

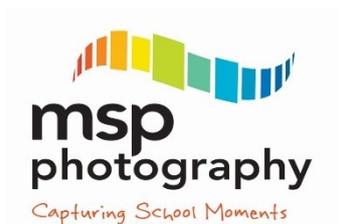

On Friday, 1/2MJ participated in the Earth Ed session "Robot Explorers" and explored through collaborative play how to "control" a Dash robot and have it perform the functions and tasks they set.

Students completed a number of challenges and demonstrated their new skills. Brax and Logan became the first students in Victoria to complete the "Council Workers" challenge within the allotted time, setting a new record!

Congratulations to our robot taskmasters!
