CHAPLAIN’S CHAT

How do you cope with criticism? A man once asked a wise leader how he should respond to criticisms levelled against him. He answered with this advice: “Bob, if criticism about you is true, mend your ways. If it isn’t, forget about it.” Wise words, I think!

The same point can be put another way: “Never fear criticism when you’re right; never ignore criticism when you’re wrong.”

Yet another way: “Don’t mind criticism. If it’s untrue, disregard it. If it’s unfair, keep from irritation. If it’s ignorant, smile. If it’s justified, learn from it.”

Have a great week! Blessings, *Julie McDowell* Chaplain

Dear Parents,

We have recently had multiple cases of head lice reported right across all classes. We strongly recommend that you check your child’s hair on a regular basis, and if head lice or eggs are found treatment must take place before the child returns to school. Please let the school know if head lice are detected. Should you experience any difficulty with treating your child’s hair please see Sonia.

I thank you for your support. Kind regards, *Sonia Jardine*
